What are your next steps?

It's 2024 and you have about 5 months until you graduate from high school! What are your next steps? College? Trade School? Military? Workforce? Do not wait until May to start thinking about it. If you need help navigating life after high school, come see your counselor!

Do you have a NG for a grade?

You need to see your AP ASAP!!! Do NOT wait until the last minute! You will need to come up a plan to reinstate your letter grade. If you do not, the NG will be worth 2.0 on your transcript. If you receive a D or F in the class, the D or F stands. Once you have 23 absences, you will no longer be able to appeal for a grade reinstatement.

**You have roughly
100 days left of
High School! Enjoy
them & make them
count!**
